

# Himalayan Makers Guild 2017 – 2018

## Team Leaders:

Team leaders are members of the HMG who are responsible for the future direction of the club, on behalf of all its members. They will take on additional responsibilities, and also have opportunities to contribute to activities and build a deeper understanding of the ideas being explored.

Team Leaders will:

1. Take attendance, help organize students, and help answer student questions.
2. Participate in weekly activity preview and training, give feedback, and ask questions. This will be for 1 hour, most likely on Thursday at 7pm right after dinner.
3. Be involved in planning the future of the club and its activities, including helping with management and administration.
